Carrer Objectives

Aspiring Software Developer with a strong understanding of web technologies and backend development. Seeking an entry-level position to apply programming skills and contribute to building reliable applications.

Education

B.Tech. Computer Science & Engineering

College of Engineering and Management, Kolaghat, Purba medinipur

2023-2027(Expected)

CGPA: 8.81 / 10(Till 5th Semester)

Maulana Abul Kalam Azad University of Technology, West Bengal

Higher Secondary Education

Bengal Engineering College Model School, Shibpur, Howrah

2023

Percentage: 85%

Skills

Frontend: HTML, CSS, JavaScript

Backend & Database: Node.js, Express.js, MongoDB, SQL

Programming Languages: Java, C (Basics), Python(basics)

AI & APIs: AI Fundamentals, OpenAI API (ChatGPT Integration), REST APIs

Tools: Git, GitHub, Render, Netlify VS Code, Postman

Projects

Voting Application Backend | Node.js, Express.js, MongoDB, REST API, Postman

February 2026

- Developed a secure backend voting system with authentication using Aadhar Card Number and password.
- Implemented one-user-one-vote logic to prevent duplicate voting and ensure data integrity.
- Built admin-only candidate management APIs for adding, updating, and deleting candidates.
- Designed REST APIs to display live vote counts and candidate rankings, and tested endpoints using Postman.

AI Chat Application | Node.js, MongoDB, OpenAI API

January 2026

- Integrated OpenAI ChatGPT API to generate context-aware responses.
- Stored user and assistant messages in MongoDB to maintain conversational context.
- Used UUID v4 to uniquely identify chat sessions across multiple users.
- Tested APIs using Postman and handled errors with proper validation.

Awards & Certifications

- **Inter-College Hackathon – 2026:** Secured 1st Position in the Inter-College Hackathon 2026.
- **Introduction to Artificial Intelligence – Simplilearn (2026):** AI and ML fundamentals.
- **TCS Career Edge – Young Professional (2025-2026):** Employability and workplace readiness training.
- **Smart India Hackathon – 2025:** Selected for SIH College Level.
- **Python Programming – Codsoft(2024):** Completed virtual internship in Python.

Soft Skills

Problem Solving | Quick Learner | Team Collaboration | Time Management
